

## EDDIE’S EDITORIAL

A special thanks for all the comments on last Sunday’s sermon on abortion. It certainly is a hot button issue in our nation and the truth needs to be told what God says about the topic.

Something that some may not be aware of is that the sermons and other information are available on our website. Just go to [www.vernonchurchofchrist.org](http://www.vernonchurchofchrist.org) and click on what you want to see or hear. Just for you information our website last year had approximately 8100 visits. That’s a lot and a very good way to teach truth as well. During the month of January we had 799 visits. So be sure to make others aware of this good tool in spreading the gospel.

A special thanks to our youth and their hard work at the Senior Banquet last Saturday night and for their parents who were there as well helping in this event. We appreciate both the young and the aged as we work together to make the Vernon congregation the best it can be.

I don’t say it enough but I love and appreciate each member at Vernon. Your interest in the work here goes to show that we love the Lord and each other. Keep up the good work! Looking forward to seeing you Sunday. Eddie

## Landon's Letters

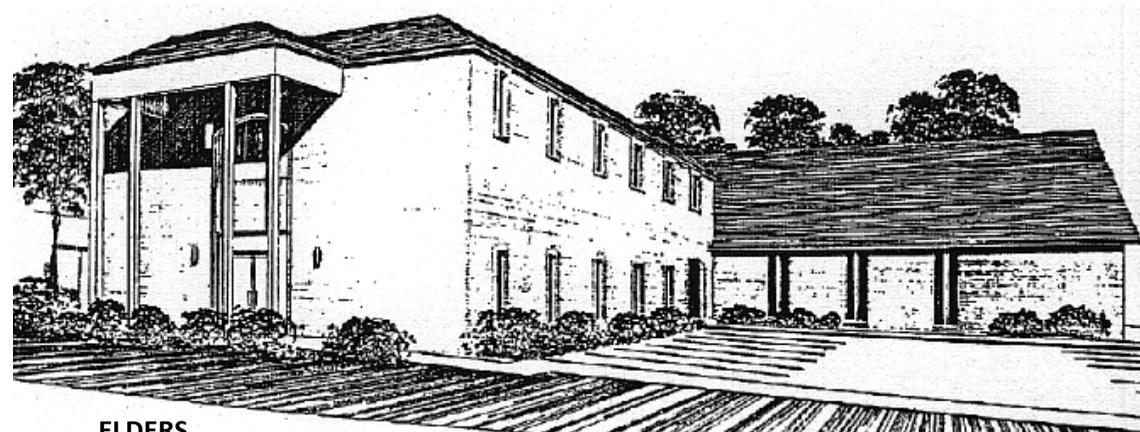

This week we celebrate a holiday called Valentines. Usually around this holiday people choose to express their feelings for one another by giving their significant other a gift and a card. I can remember when I was younger in school we would always make cards for everyone in our class. What if we gave everyone that we knew or saw on a day-to-day basis a gift this year for Valentines? The greatest gift you can share with someone is to help them get to know our Lord and savior! Let's take a stand to share the gospel with someone that we know this year for Valentines! John 3:16 says, "For God so loved the world that he gave his only Son, that whoever believes in him should not perish but have eternal life." Let's share the love that God gave!

In Him, Landon
