

EDDIE’S EDITORIAL

One of the most remarkable things about Jesus’ family is they were just common everyday people of their time. Joseph had an ordinary name and worked an ordinary job. The same is true of Mary. A very common among the women. Two of Jesus’ brothers had common names; James and Jude. Even the name of Jesus was a common name in Palestine. Some seventy graves dating back to the time of Jesus bear the name of Jesus. If you had seen this family on the street nothing would have caused them to stand out from everybody else.

So, what did God do? He took an ordinary family and made them extraordinary by His own choice. If God could do it 2000 years ago, He can do it today. He takes ordinary people and does amazing things. He has given each of us a purpose in carrying out His will to others. We should consider it an honor to be chosen for such a great task.

Looking forward to seeing you Sunday. Eddie

Landon's Letters

I hope you all had a wonderful Thanksgiving holiday filled with lots of love, laughter, and good food! We traveled to back to our home towns and every time I get to go back I am reminded of how blessed I was to grow up in the beautiful mountains that so many like to visit. I was able to just sit and take in all of the beautiful views that God created and just take time to be still. Psalm 46:10 says to be still and know that I am God. Often times in our life we really don't stop and just take in God's beautiful creation but I want to encourage you to do so and while you are doing so spend some time talking to him! It will change your entire day if you do!
